CONVICTS SENTENCED.

Several Important Cases Continued—Court to Adjourn.

In the jury of S. H. Myers against the city of Hopkinsville for \$1,000 damages on account of injuries sustained by him in being thrown from his buggy into a sewer on North Main street in September 1898, the jury returned a verdict Tuesday, awarding plaintiff \$270.

The case of the Commonwealth against Leslie Oldham, under indictment for murder, was continued until the next term of court at the instance of the Commonwealth.

On motion of the Commonwealth the case of Wallace Kay, charged with robbery, was dismissed. The prisoner was released from jail.

Jeremiah Quarles, was fined \$25 and sentenced to ten days in jail for carrying a concealed deadly weapon.

The case of Grant Parish, alias Pettus, indicted for murder, was continued until the seventh day of the next term of court. Parish killed Stephen Stewart, another negro, near The Squa e, about two weeks ago.

The petit jurors were discharged Wednesday and court will adjourn this week.

On yesterday sentence was passed on Charles Hampton and John Robertson, both colored. Robertson was given two years for manslaughter and Hampton one year for housebreaking.

Butch Oldham, [col., was sentenced to two and a half years for malicious shooting, but his case will be appealed.

Jack Waggoner, convicted of detaining a woman, and given two years, was granted a new trial and his bond reduced from \$250 to \$150. Waggoner is still in jail.

Hampton and Robertson will not be taken to Eddyville until Monday or Tuesday.

John W. Duncan, indicted for rape, was fined \$50 for assault. Duncan arranged his fine and was released from jail yesterday.

AGED 84.

Highly Respected Citizen Of Lafayette Passes Away.

Lafayette, Ky., June 26.—Mr. Logan Keatts, one of the oldest and most highly respected citizens of this community, died this morning at 5 o'clock at his home about two and a half miles from here. He had been sick several weeks with la-grippe. He was 84 years of age. Had never been a member of any church, but was strictly moral man, a high-toned gentleman, honored and respected by all who knew him. He leaves a wife and seven children, all grown, who have the sympathy of the entire community in their bereavement.

OBSTRUCTION OF BOWELS

Causes Death of Lady In Three Days.

Miss Jennie Jones, aged 60 years, a daughter of the late Burrell Jones, died Wednesday of obstruction of the bowels. She was ill only 4 days, having been stricken last Saturday. She had been a consistent member of the Methodist church for forty years. Funeral services were held at her late residence yesterday afternoon and the interment followed in Hopewell.

EARTHQUAKE.

Distinct Shock Felt at 1:30 Yesterday Morning.

Parties who were awake at 1:30 yesterday morning claim to have felt a distinct earthquake shock that came from northwest to southeast, accompanied by a low rumbling sound, and lasted about sixty seconds. Officer Booth Morris and L. & N. Watchman Will Campbell were among those who felt the shock.

ASYLUM CHANGES.

New Physicians Moved in Yesterday.

Dr. E. M. McCormack, of Owensboro, the new superintendent, arrived Wednesday with his wife and three children. He is now at the asylum, and will take personal charge next Tuesday. Dr. T. W. Gardiner will return to Madisonville. Dr. W. A. Lackey, first assistant, is also at the asylum and will relieve Dr. H. P. Sights at the same time.

Dr. J. W. Stephens was appointed to succeed Dr. Cora Brown, second assistant, but his commission states that he is to supersede Dr. A. P. Stanley, who is third assistant. This defect in his papers may cause a delay in his qualifying. The law requires one female assistant and Dr. Brown may remain a while as third assistant until her successor is agreed upon. Mr. Bud O'Bryan, the new receiver, also came with Dr. McCormack and will supersede Rev. J. D. Irwin on July 1st.

COMES UP TO-DAY.

The Motion to Dismiss Attachment in Piner-Ware Case.

There have been no new developments in the Piner-Ware case since last report. The case will come up in Circuit Court to-day on a motion of Mr. Ware's attorneys to dismiss the attachment suit in connection with the divorce suit of Mrs. Ware. Mr. Ware will give his side of the affair in this case, unless a trial should be waived in some way. In that event, the commonwealth branch of the affair will come up next Thursday, when the examining trial of Mr. J. D. Ware will be held.

Dr. W. K. Piner is now able to be up and about and no further trouble from his scalp wound is anticipated.

Hon. Jno. K. Hendrick has been added to his large list of attorneys and Mr. Hendricks was here yesterday to consult with the other attorneys. He will return July 5. It is stated that Dr. Piner is expected to preach as usual Sunday morning.

BARRED THE WAY

Through a Gate And Jones, Shot Gaines.

At Montgomery, Gill Jones, aged 14, shot Moses Gaines aged 12, in the breast, inflicting a fatal wound. It is said that Jones started through a gate when Gaines in fun barred his progress, and, without a word of warning, Jones drew a revolver and fired. Jones made no effort to escape, but was arrested and lodged in jail at Cadiz.

MAT MAJOR.

Gives Bond to Answer The Federal Indictment.

Mr. Matt S. Major, of Herndon, on Wednesday gave bond for his appearance at the Owensboro Federal court Jan. 28, 1901, to answer the recent indictment found against him for keeping negroes from voting.

STEPPED ON TRACK.

Three Unknown Colored People Killed by the Cars.

Three unknown negroes, two women and one man, were found dead beside the tracks of the L. & N. railroad, near Edgefield Junction, Monday. It is supposed that they stepped from one track to another to avoid a train and were struck by another passing train.

Pardoned by President.

The President has pardoned J. N. Cooper, convicted in Northern Kentucky of having counterfeit money in his possession, and sentenced in 1897 for five years, on account of his having six motherless children depending on him, his wife having died since he was sent to prison.

Women Think

About This

In addressing Mrs. Pinkham you are communicating with

A Woman

A woman whose experience in treating female ills is greater than that of any living person, male or female.

She has fifty thousand such testimonial letters as we are constantly publishing showing that Lydia E. Pinkham's Vegetable Compound is daily relieving hundreds of suffering women.

Every woman knows some woman Mrs. Pinkham has restored to health.

Mrs. Pinkham makes no statements she cannot prove. Her advice is free.

One of the advantages in a wife is having someone to tell you when you need a hair cut.

Diarrhea at St. Louis.

Charles H. Marks, while acting in the capacity of nurse at the Second Division Hospital of the Fifth Army Corps at Santiago de Cuba, used a few bottles of Chamberlain's Colic, Cholera and Diarrhoea Remedy for diarrhea and found it to work like a charm. For sale by R. C. Hardwick.

A woman is never really happy after she gets to an age when she has to be nice to men.

Pimples on the face are not only annoying but they indicate bad blood. Hood's Sarsaparilla cures them by purifying the blood.

The business men of Bowling Green have forwarded a petition to Washington, requesting increased facilities for free delivery of mail.

FATAL mistakes are made by those who do not heed the warning symptoms of colds or influenza, both of which often end in Bright's disease or diabetes. When Foley's Kidney Cure is used the kidneys work and the danger is delayed. Sold by J. M. A. in, Louisville.

The vast majority of unhappy marriages are born of sudden impulses.

For two years Dr. W. K. Levey of Nashville, Tenn., was a poor health, a victim of kidney troubles. He consulted several physicians and spent considerable money for medicines without obtaining relief until he tried Foley's Kidney Cure and was well. He writes: "I desire to add my testimony that it may be the cure of sliding others."

Among the hardest troubles to bear are those that seem needless.

Would Not Suffer No Again For Faint Time to Live

I awoke last night with severe pain in my stomach. I never felt so badly in all my life. When I awoke to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose freed me all right. It is really the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times the price.—G. H. Wilson, Liverman, Burgettstown, Washington Co., Pa. This remedy is for sale by R. C. Hardwick.

Sympathy is one of the chief factors of feminine charm.

For sale by R. C. Hardwick, and Jas. O. Cook.

In many households the real boss is the baby.

To My Creditors.

If you owe me you know it and you are expected to come forward and settle by July 1st. A hint to the wise is sufficient. A. W. Pyle.

"New Broom Sweep Clean"

The human body has been compared to a temple and the poet urges us to keep it entire and clean. To accomplish this end, every nook and cranny must be swept and purified. The agent of the body that goes everywhere is the blood. If it is not strong, pure and life-giving, it is like a worn-out broom. It fails to do the work. Hood's Sarsaparilla makes a new broom of your blood.

Skin Disease "I have been troubled with a skin disease. Seeing Hood's Sarsaparilla advertised I decided to try it, and after taking it a short time the disease disappeared." — Mary Jagen, 4050 Cambridge St., Philadelphia, Pa.

## Passing Years

Look in your mirror today. Take a last look at your gray hair. It surely may be the last if you want it so; you can't keep your gray hair a week longer than you wish. There's no guesswork about this; it's sure every time.

To restore color to gray hair use

**AYER'S Hair Vigor**

After using it for two or three weeks notice how much younger you appear, ten years younger at least. Ayer's Hair Vigor also cures dandruff, prevents falling of the hair, makes hair grow, and is a splendid hair dressing. It makes the scalp healthy and this cures the disease that causes dandruff. \$1.00 a bottle. All druggists.

"My hair was coming out badly, but Ayer's Hair Vigor stopped the falling and has made my hair very thick and much darker than before. I think there is nothing like it for this trouble."

Write the Doctor.  
If you do not obtain all the benefits you desire from the use of the Vigor, write the Doctor about it.

July 9 is close at hand and now for that Georgetown business.

Martin J. Russell, editor of the Chicago Chronicle, died at Mackinac Island, Mich., Sunday night.

The Elizabethtown News wants the Kansas City convention to condemn the "blacklist" in the platform. Go slow, Harry, go slow. After July 19 all of the Democrats in Kentucky may be on the Black list.

On another page we reprint an editorial note of warning from the Paducah News. With such a state of affairs as this existing in every county of the State, Gov. Beckham owes it to his party to step aside and let the party harmonize upon some new leader who can unite the party.

Judge Joseph H. Lewis, who is seeking the Democratic nomination for the governorship, has opened headquarters at Frankfort. He has engaged rooms at the Fleming Hotel for this purpose. Capt. W. S. B. Hill will be in charge of the rooms, which will be kept open until the convention meets at Lexington.

Jno. L. Powers, of Barbourville, charged with complicity in the assassination of Gov. Goebel, was again arrested while in Harlan county Wednesday and County Judge Cornett promptly released him on Taylor's "pardon," as Judge Wyatt, of Knox county, did some time ago.

There is talk of calling an extra session of the Legislature to amend the election laws. It is doubtful if the Senate is Democratic as at present constituted. There are two vacancies in Democratic districts and the attitude of one Democrat who acted with his party last winter is now uncertain.

Let the candidates who are seeking the Democratic nomination for Governor keep in mind that the man whose shoes they aspire to wear laid down his life for the Democratic party. No man's ambition should stand in the way of party success.

Tom Sharkey was knocked out by Gus Ruhlin, a new Ohio pugilist, in the 15th round Tuesday night, at New York. Sharkey was badly battered and sustained some serious injuries.

Edward Gregg and wife were arrested at Moundsville, W. Va., charged with murder. The basis of the charge is that they failed to provide medicine for their sick child, which died in consequence.

The remains of the author Stephen Crane, who died abroad, have arrived at New York and will be buried in this country.

## County Court Orders.

William Bradley Croft was appointed administrator of the estate of his father-in-law, the late J. Riley Long and qualified with J. E. Croft as surety. Messrs. A. B. Croft, J. C. Bowling and D. L. Crabtree were named as appraisers.

Andrew J. Clark was appointed guardian of his daughter, Pearl Clark, a minor.

## Death of a Child.

A little four-year-old son of Mr. P. A. Walpole, proprietor of the European hotel, formerly of Gracely, died yesterday morning of bowel trouble. The interment took place in Hopewell yesterday afternoon.

**Lightning's Work in Louisville.**  
Louisville, June 28.—A terrific thunderstorm visited the city at noon to day. Lightning struck the big Louisville Trust building, corner Fifth and Market streets, but aside from giving several occupants a severe shock, did no damage.

## "At Sunny Side."

On Monday evening a very appreciative audience witnessed the performance of "At Daggars Points" presented by "Poard" and Girod, Messrs. Adcock and Tucker taking prominent parts.

## Shipped to Loretto.

A six-months-old son of Mr. L. D. Ferriell died yesterday morning. The remains were shipped to Loretto, Ky., Mr. Ferriell's former home, last night.

## Another Slump In Wheat.

Chicago, June 26.—The wheat market was again excited today and after opening at a decline slumped 3 1/4 cents. It afterwards rallied to 83 cents.

## Killed By The Cars.

Jim White, a 15-year-old boy of Clarksville, fell under the cars at Guthrie and was killed. His remains were taken back to Clarksville for burial.

## STILL IRREGULAR.

Offerings Lighter Than Last Week, But Fair Sales.

The tobacco market continues irregular at prices quoted last week, there being nothing new to report concerning our market.

Offerings were lighter than those of last week, but amounted to about five hundred hogsheads. Receptions were not large. Receipts are falling off, but are still quite heavy, considering the advanced stage of the selling season.

While the rains have been very heavy throughout the dark tobacco district not so much damage has been done the growing crop as was at first reported, and the indications are that we will have a pretty full crop after all.

Following quotations fairly represent our market:

Good Leaf \$8.50 to \$6.50.  
Common Leaf \$6.50 to \$5.00.  
Lugs \$4.50 to \$3.25.

## TOBACCO SALES.

We quote you price of 77 hds. of tobacco offered at our houses June 27 as follows:

41 Hds. Med. to Good Leaf—\$8.50, 8.30, 8.25, 8.25, 8.20, 8.00, 8.00, 7.90, 7.90, 7.80, 7.75, 7.70, 7.70, 7.70, 7.60, 7.60, 7.60, 7.60, 7.50, 7.50, 7.50, 7.40, 7.25, 7.20, 7.20, 7.10, 7.00, 7.00, 7.00, 6.95, 6.95, 6.80, 6.80, 6.75, 6.70, 6.70, 6.60.

28 Hds. Com. Leaf—\$6.50, 6.50, 6.40, 6.30, 6.25, 6.25, 6.25, 6.20, 6.20, 6.10, 6.00, 6.00, 6.00, 6.00, 5.95, 5.75, 5.75, 5.70, 5.70, 5.60, 5.60, 5.60, 5.50, 5.30, 5.25, 5.20, 5.20, 5.00, 5.00.

3 Hds. Lugs—\$4.60, 4.50, 4.40, 4.10, 4.10, 3.60, 3.40, 3.30. Market continues irregular at prices quoted last week; offerings are lighter each week, looking for advance holders yet expect.

Heavy rains in this section have not done the damage at first expected, and we look for a good crop after all.

Yours Truly,  
GATHER & WEST.

## HEADED TOWARDS CANADA.

Leaves Philadelphia for Niagara Falls With a Retinue of Four Detectives.

Philadelphia, June 25.—Broken in health and spirits, W. S. Taylor, of Kentucky, started for Niagara Falls to-night. He was accompanied by Mrs. Taylor, and four detectives followed close at their heels. Two of the officers represented the State of Kentucky and bear warrants for the arrest of Mr. Taylor upon charges growing out of the assassination of Gov. Goebel. The other two are employed by Mr. Taylor to guard his person.

His stay in this city was devoid of personal publicity. He accepted but one invitation and denied himself to everybody who called upon him at the hotel where he made his headquarters.

He came here to attend the Republican National Convention as a delegate-at-large only after having been assured that no requisition calling for his enforced return to Kentucky would be honored.

The strain is telling on both Taylor and Mrs. Taylor. All the time they were in the city their rooms were closely guarded and Mrs. Taylor personally answered every rap on the door. She denied herself to all callers and was on the verge of collapse several times.

It is understood that Mr. Taylor will not be surrendered to the Kentucky authorities by Gov. Roosevelt and that he will be immune from arrest until he shall return to Indiana, where he is now making his home, or until such time as he shall return to Kentucky of his own volition.

## Aged Twins Celebrated.

Covington, Ky., June 25.—In Boone county to-day there was a unique double birthday celebration. Mrs. William A. Askew and her twin maidens sister, Miss Alwida Masterson, celebrated the seventy-sixth anniversary of their birth.

They are believed to be the oldest twin sisters in many States, and their health is of the best. They were born at Washington, Pa., June 1824. They have never been separated since infancy, and Miss Alwida has always made her home with her sister. The latter married Mr. Askew when she was but eighteen years of age.

Count Murariff, Russian Minister of Foreign Affairs, who dropped dead in St. Petersburg, was the prime promoter, if not the originator, of the Czar's so-called Disarmament Peace Conference at The Hague, as he was also official director of the Bear's great military and naval preparations for the "benevolent assimilation" of Turkey, China, Corea and any and all other parts of the earth whose deglutition might add to the satisfaction of that omnivorous beast and tend to the pacification of all mankind.—Louisville Times.

The Chinese trouble is assuming grave proportions. Admiral Seymour's column of 1500 international troops failed to reach Peking, but have been driven to a point near Tsin Tsin, where another force was trying to rescue the survivors at last accounts. Sixty had been killed and 200 wounded and all were on the point of starvation. The long expected war with China is believed to be on.

The National Convention meets at Kansas City next week.
